

This is an initial listing of staff you may wish to contact within the new Project Management Center (PMC) in regard to stakeholder concerns or business. Many of them will be the same people you worked with under the former regional office structure; others will be new to you. Please note that while telephone numbers and e-mail addresses should remain constant, some shifting of program positions may occur as workloads within the new organization become more apparent. The e-mail addresses of all employees at Golden are in the format: firstname.lastname@go.doe.gov. The e-mail addresses of employees at the National Energy Technology Laboratory (NETL) are in the format: firstname.lastname@netl.doe.gov.

The comprehensive organization charts for both Golden and NETL staff in the PMC are being developed and will be shared in a future newsletter and on the appropriate web sites. NETL is in process of acquiring additional staff to fully support the PMC.

Golden Field Office
Mail Stop 1501
1617 Cole Boulevard
Golden, CO 80401
Phone: 303-275-4700
